## US Sprinkler, Inc. has been acquired by Century Fire Protection, LLC

### Transaction Highlights

Ironline Advisors acted as exclusive advisor to US Sprinkler Inc. of Stockbridge, GA, a founder-owned and operated fire protection company, in its sale to Century Fire Protection of Duluth, GA.

US Sprinkler is a multi-family and commercial design and installation specialist with clients throughout the Southeastern United States.

Century Fire Protection is a leading multi-family and commercial fire protection specialist with 19 locations in seven states throughout the Southeastern U.S. and Texas.

### About The Companies

#### US Sprinkler, Inc.

Founded in 1992, US Sprinkler is a leading multi-family and commercial fire system design, build and installation specialist. Clients include apartments, hotels, personal care and day care centers located in Georgia, Alabama, Florida, North Carolina, South Carolina and Tennessee.

#### Century Fire Protection, LLC

Founded in 2000, Century Fire Protection, a subsidiary of FirstService Corporation, has grown organically and through acquisitions to be a Southeastern leader in fire protection system consulting, design, fabrication, installation, service,

inspection and training for its clients in seven states: Alabama, Georgia, Florida, North Carolina, South Carolina, Tennessee and Texas. Century is comprised of over 1,500 employees staffing 19 offices within its footprint. It holds licenses in 42 states.

#### FirstService Corporation

FirstService Corporation (TSX and NASDAQ: FSV), headquartered in Toronto, Canada is a North American leader in two property services sectors: FirstService Residential, the largest manager of residential communities, and FirstService Brands, a provider of essential property services delivered through individually branded franchise systems and company-owned operations. FirstService generates more than US\$2.8 billion in annual revenue and has more than 20,000 employees across North America.
